# WHY SHOULD I VOTE FOR THE FAIR TAX AMENDMENT?

## OUR CURRENT TAX SYSTEM IS BROKEN!

It forces working families - including superheroes like essential workers who have kept us safe during this pandemic - to pay the same tax rate as millionaires and billionaires. Middle- and lower-income families pay nearly 14 percent of their income in state and local taxes, while the wealthiest Illinoisans pay only half of that!

For far too long, our tax system has burdened our working families, while allowing millionaires and billionaires to avoid paying their fair share. Luckily, we don't have to sit by and accept the status quo - we can change our tax system at the ballot box this year.

Passing the Fair Tax will do more than fix this unfair, broken system. With so many families suffering from unemployment, underemployment, and in dire need of affordable child care during the pandemic, it is more important than ever to create sources of revenue that won't put even more pressure on families in crisis. The Fair Tax will not only begin to provide relief to address this current crisis - it will generate billions of dollars in additional revenue each year that can go toward funding critical programs, our schools, and vital social services.

# WHY SHOULD I VOTE FOR THE FAIR TAX AMENDMENT?

## OUR CURRENT TAX SYSTEM IS BROKEN!

It forces working families - including superheroes like essential workers who have kept us safe during this pandemic - to pay the same tax rate as millionaires and billionaires. Middle- and lower-income families pay nearly 14 percent of their income in state and local taxes, while the wealthiest Illinoisans pay only half of that!

For far too long, our tax system has burdened our working families, while allowing millionaires and billionaires to avoid paying their fair share. Luckily, we don't have to sit by and accept the status quo - we can change our tax system at the ballot box this year.

Passing the Fair Tax will do more than fix this unfair, broken system. With so many families suffering from unemployment, underemployment, and in dire need of affordable child care during the pandemic, it is more important than ever to create sources of revenue that won't put even more pressure on families in crisis. The Fair Tax will not only begin to provide relief to address this current crisis - it will generate billions of dollars in additional revenue each year that can go toward funding critical programs, our schools, and vital social services.

The amendment would remove the portion of the Revenue Article of the Illinois Constitution that is sometimes referred to as the "flat tax," that requires all taxes on income to be at the same rate. The amendment does not itself change tax rates. It gives the State the ability to impose higher tax rates on those with higher income levels and lower income tax rates on those with middle or lower income levels. # WHY SHOULD I VOTE FOR THE FAIR TAX AMENDMENT?

## OUR CURRENT TAX SYSTEM IS BROKEN!

It forces working families - including superheroes like essential workers who have kept us safe during this pandemic - to pay the same tax rate as millionaires and billionaires. Middle- and lower-income families pay nearly 14 percent of their income in state and local taxes, while the wealthiest Illinoisans pay only half of that!

For far too long, our tax system has burdened our working families, while allowing millionaires and billionaires to avoid paying their fair share. Luckily, we don't have to sit by and accept the status quo - we can change our tax system at the ballot box this year.

Passing the Fair Tax will do more than fix this unfair, broken system. With so many families suffering from unemployment, underemployment, and in dire need of affordable child care during the pandemic, it is more important than ever to create sources of revenue that won't put even more pressure on families in crisis. The Fair Tax will not only begin to provide relief to address this current crisis - it will generate billions of dollars in additional revenue each year that can go toward funding critical programs, our schools, and vital social services.

The amendment does not itself change tax rates. It gives the State the ability to impose higher tax rates on those with higher income levels and lower income tax rates on those with middle or lower income levels.
